

a simple hybrid-diagram 'infographic'  
—elevation, map, cutaway, symbols—  
in a custom-integrated layout  
transmitted pre-desktop on a newswire fax machine  
to provide a quick **visual summary** of the story

intended to attract newspaper readers  
**scanning** narrow columns of text  
to glance at this 3-column **overview**  
thus to be drawn into the story's **content**  
and perhaps read the accompanying columns of text, as well

## Acid Rain: Killing Vermont's Maple Trees
